Liaison Corner:

Welcome to Madison. My name is Vivian Boring. I am the Family and Community Liaison at Madison Middle School. I encourage you to get involved. Our PTA is amazing and our students love having you on campus (They do. I promise.) Please come to the office and sign a volunteer form. We are just starting the school year but already need help on August 23 (Picture Day). If you have questions, feel free to email me at vivianaboring@vistausd.org.
